## Operations Administrator

### Description

The Operations Administrator ensures that the administrative functions are completed in an effective manner that is efficient, and compliant, using best practices. This position will provide direct supervision to the organization's office services and functions, purchasing, client and staff communications, record keeping, managing the administrative departmental budget while serving as direct support to the CEO, CFO, Finance, Clinical and Advancement Departments. Beyond management of day-to-day functions, an essential objective is to constantly improve efficiency at GMCH, making recommendations to the CEO. Performing long and short-term planning, maintaining staff morale, this position is highly visible, acting as the first point of contact for GMCH patients, families, visitors and vendors, both in person and over the phone, requiring professionalism at all times as well as handling highly confidential information.

The Operations Administrator will report to the CEO and will serve as a member of the Operations Staff in the development and implementation of organization-wide policies and programs that will contribute to the success of George Mark Children's House.

This is a 90%-time (5 days per week), hourly, benefited, non-exempt position.
